Notes from 2021:

- We had a very successful 2021 tournament and our Volunteers were a huge part of the positive feedback we have been receiving. No doubt we are the Volunteer State!
- We had over **200 Volunteers** in 2021.
- The top 3 finishers in the 2021 VKO all received their Tour Cards and are currently playing on the PGA TOUR. *Congratulations to Greyson Sigg, Stephan Jager and Seth Reeves!* The Korn Ferry Tour players ranked Holston Hills Country Club at the top or near the top of all the courses they played in 2021.
- Online Ticket Sales were at an all-time high in 2021.
- Sponsorship Goals were exceeded in 2021 and are on a record pace for 2022.
- Due to your support and our sponsors the Visit Knoxville Open presented a donation check of \$88,000 to the Boys & Girls Club of TN Valley. We were also able to present a donation check of \$10,000 to the local First Tee Program here in Knoxville.

As we prepare for 2022, we want to offer you, our past volunteers, the first opportunity to sign up. Please share this information with others that you think might enjoy this experience and add to our goal of becoming the Korn Ferry Tour's **"TOURNAMENT OF THE YEAR"**.
